The Fun Starts Here!

Thousands of people of all ages are discovering the fun at Liberty Science Center. Families can spend an entire day getting involved with more than

250 interactive exhibits

on our **3** exhibit floors that focus on Invention, Health, and the Environment. Be a part of the excitement as you hold a live starfish or a giant exotic insect,

crawl in the pitch-black **100**-foot-long Touch Tunnel, play virtual reality basketball, watch the 3-D Show, or experience the action in the Kodak OMNI THEATER, the largest domed IMAX® screen in the United States. With so much to see and do, including traveling exhibits from around the world, whether it's

your **1st** or **15th** visit, you'll want to come back time and time again.
